I am updating those reports. I have added a hyperlink column in the report, but I want it to be Hyperlink not just text. How can I make a hyperlink in that column? A: Assuming that your column for the hyperlink is named Hyperlink, you can change the General Style to Text and add the following format string to the Value property: "=" & RPT_Call.AssignedEmployee & " " Sports Community Weather King County Library King County Library (kcl.org) is the local public library system in King County, Washington, United States. It has 40 library locations throughout the county, serving more than 650,000 residents and 14,000 visitors each year. The library serves as a regional collection point for the Oregon and Washington State public library systems, and also serves as a resource center for area residents. It includes the libraries at The Boeing Company and Paine Field. The library hosts more than thirty public programs, including book clubs, story times, reading gardens, crafts, lectures, and summer reading programs. The library underwent a \$1.5 million renovation in the late-2000s, and completed its \$7.1 million renovation in October 2009. Other recent projects include a \$39.5 million renovation of the downtown Seattle Central Library, and the renovation of the Hillman Library in SeaTac. Announcing: UserTesting.com! In 2005, I decided to use my experience working at leading web testing and code optimization services such as WebPagetest, SmartBear Quality Center, and ApexCode to start a company called UserTesting. UserTesting was started by me and three fellow SharePoint enthusiasts: Adam Renz, the CEO of UserTesting Ryan King, the VP of Product Management Caleb Ellingworth, the CTO of UserTesting It was an amazing journey, and three years later, we've grown our team to almost 40 employees with offices in New York, New Jersey, Ireland, and Singapore!
