The 2016 action RPG fantasy action game featuring World of Warcraft, which was released in July 2014 in South Korea and in September 2014 in Europe and

---

North America, is now available in the Philippines. In a world where people live in peace and the crime rate is zero, the races have lived harmoniously for a thousand years. Within the Lands Between lies a world of numerous nations, tools, and beasts. Nations that stand in the powerful Alliance, and those that are in the weak Horde. Within the Lands Between, which are created between the races and peoples, there is a world where the laws of physics are different, and the order of the Land is controlled by the influence of power. In this wondrous land, the story of the Elden ring is intertwined. Elden Ring is an

---

action RPG fantasy game where  
players create their own  
character and journey in the  
world, and battle as one of the  
five races - Dwarves, Gnomes,  
Elves, Hobbits, and Humans.

### **Elden Ring Features Key:**

An Epic Multiplayer Action RPG: • Play with hundreds of other people in a multiplayer game that you can play anytime, anywhere, and live while playing.

An Evolving Action RPG: • Play a new action RPG by slightly expanding and modifying the current game.

An Online Action RPG: • Play with hundreds of other people in an online game that you can play anytime, anywhere, or in a private session with friends.

A New Approach to RPG Action: • Core combat action is strictly in line with the current standards for VR development, but by adding layers with an exploration-driven RPG mentality, we have succeeded in

---

creating an action RPG that feels fun and fresh like never before.  
A Virtual Earth with Unique Character Style: •The world of *Elden Ring* is created to deliver a sense of realism. Every character in *Elden Ring* is free to completely customize its appearance to an extent that no one player is the same as another, creating a rare connection with the game.

Ambient Occlusion and Team Work Allowed: •Ambient Occlusion makes it possible to have the view of your character clearly, even when it's shadowy in the darkness. This is the first VR action RPG with team work that lets you stay connected to your partner.

Unique Content and System Add-ons\*1: •The skills, equipment and the level of your character are all freely managed. We plan to add various content and add-ons that add new experiences in the game.  
PC Exclusive Content and Online Function

Bunny Girl Award Best Use of Steam Decals (aka Steam Tags)  
Best Use of Steam Community (forum posts, threads, etc.)  
Community Choice Video  
Dinosaur (Terrible lizard) Elite  
Jump Everything up to and including the Gameplay ELDEN RING series for the Steam game are eligible for the Bunny Award. In order to be eligible for the Bunny Award, a release must have the Bunny logo, and both the game and the Bunny Award logo must be mentioned within the game description on Steam. If the game has been released on other platforms, it is eligible

---

as a Trophy. If a series of games are released for the same Steam game, they can be included separately or all together in the nominations. Nominations for an individual game can be submitted by the game developers. If a game series has several nominees, nominations can be submitted individually for each individual game in the series. All nominations for the Bunny Award must come via the Bunny Award Appreciation Thread, which can be found [here](#). Only the game developer can choose if and when their game is nominated. If you are the game developer or were the game developer, please inform

---

the Bunny Award Organisers of your nomination. Nominations may be withdrawn at any time if you wish to do so. Please read this thread carefully. If you think a game is ineligible, please raise your hand in the thread. All nominations can be voted on individually in the Bunny Award Appreciation Thread. Please consider voting. You may vote for multiple games, but the Bunny Award will only be presented to the winning nominee, and you may only vote for that game once. If a game you voted for is not nominated, you may still vote for it. You can vote for other games even if you voted for the winning nominee.

---

Award nominations are not permitted in the Bunny Award thread. Only games that have been released for Steam through May 1, 2020 are eligible for the Bunny Award. The Bunny Award is not eligible for games on other platforms, such as OS X, iOS, Amazon, and other mobile platforms. The Bunny Award is not eligible for games that are not offered on Steam.
