Elden Ring Features Key:

Giant open world. Travel alone or in groups of up to 6 players to explore the open world of the Lands Between, or war against other players.

Over 40 skills with 10 weapons and 100 types of armor. Harness full-body customization freedom. Meet your friends in a town, or create your own character to adventure with other players from around the world.

Unique character development featuring four distinct Elements: Divine, Fated, Zodiac, and Azathoth. Character design with ~200 articles of gear including weapon, armor, and accessories.

A non-linear storyline that fragments into multiple Storytellers from different aspects of the story, leading to amazing results.

Unique online play where you can overcome challenges, directly interact with other people on your team, make friends, and travel together to other game worlds.
