I like to play, drink, draw, take photos, blog, and write. My current projects are the Yandere Simulator fan-fic, the theory-fiction "Next Heart" and the collection of photos "The Camera Never Lies." Pages Sunday, March 27, 2009 Is your life perfect? There's a quote somewhere in my head saying "You can either complain about the state of your life or change it." I've been thinking about my life lately, and I'm not at all happy with some of the decisions I've made. For example, I've worked since about 2005. I love my job, but I'm not happy about the hours it takes for me to make ends meet. It sucks. When I was 20, I quit school for a few months and I spent my time drawing, hanging out with friends, and working. I moved to Japan around the same time and I've been here ever since. I've had a few jobs since moving to Japan. I didn't like any of them. Some of them were to save up to travel to America. In 2005, I
