I wanted to share this with you guys and I need your help. Basically I want to ask if you would mind posting a link on the front page of your site to the.nl site just so that people can get the.onl version of BW as well. But in return I will do the.ONL version of the naxx series (preferably after the end of the month) and maybe do a small donation for the site. Not sure if you are aware but you guys are part of the ISO Hosting community. I want to know if you guys would be willing to host part of the ISO through you if I got the domain? I have a few domains and would be willing to donate a small amount for you guys to host it on if that would help. Here is a link of the.nl version of the game Has anyone managed to get the TOX.exe and/or TOX.dll files, here are the locations from what I read: This time all is well with World of Warcraft. The toiling late-nights have given way to the morning snuggles, the ritual bath and the daily run, which is actually beautiful to behold...
