
GetRight Pro 6.3e(with Serial) ##TOP##

The award-winning GetRight download manager program for Windows. To improve the speed of booting, restoring and resuming downloads, and to better manage ... GetRight supports downloads from NTFS, FAT and FAT32 file systems using HTTP. Downloads are supported at maximum speed, with no additional delays. This is very important for downloading large files. GetRight also supports downloads from FTP. This means that you can download files directly from FTP servers. GetRight supports downloads from popular resources like YouTube, Dailymotion, Vimeo, Facebook, Smule, MySpace, etc.
